Anonymity and Pseudonymity

Whenever it is lawful or practicable, a student will have an option of not identifying themselves when dealing with IBMA. Due to the nature of the services being provided to the student this will be in very limited cases.

Access to Student Records

A student may access or obtain a copy of the records that IBMA holds about themselves at any time. This includes personal information and records of participation and progress.

If a student wants to access or obtain a copy of the records we hold in their file, they must make a request in writing to the Academic Manager using the Student Document Request Form. There is no charge to access records.

Written requests should be made through IBMA's office staff.

Within 10 days of receiving a request, a student will be advised that they may either access the records in person or that the requested records will be sent to their home address.

Where access is provided to review the contents of a file, photo ID will be required to ensure that the person viewing the file is the student. Access will occur in the presence of an IBMA staff member. Where copies of records are to be provided via post, records will only be sent to the home address IBMA holds on file for the student.

A student may request a Statement of Attainment by completing a Certificate Request Form and fulfilling all requirements for a Statement of Attainment to be issued.

Access to records may be provided by:

- making copies of documents held in a file;
- giving access to the student to review their file;
- other means necessary to grant access to current and up-to-date records.

Student records are destroyed within 28 days of course completion except the information required by law and in accordance with the National VET Regulator Standards.

Amendment to records

If a student considers the information that we hold about them to be incorrect, incomplete, out of date or misleading, they can request that the information is amended.

Where a record is found to be inaccurate, a correction will be made. Where a student requests that a record is amended because it is inaccurate, but the record is found to be accurate, the details of the request for amendment will be noted on the record.
