To complete the wide range of assessments, IBMA will offer the following support:

- Face to face, classroom-based learning Theory Session: underpinning knowledge.

IBMA (staff, trainers and assessors) will maintain regular communication with students over phone and email during outside of face-to-face training sessions to ensure that students always have adequate access to resources and support throughout their course duration.

If any special requirements are identified during the student's suitability assessment, IBMA can offer reasonable adjustments on a case-by-case basis to assist the student in completing their assessment. Alternatively, if needed, the student can also seek external support at their own cost to fulfill their skill levels in order to undertake the desired course.

ACADEMIC INTEGRITY AT IBMA

IBMA is committed to fair and honest learning. All students must complete their own work, acknowledge sources (including AI tools), and follow clear assessment rules. We use a Reliability & Integrity Framework to make sure assessments are consistent, fair, and trustworthy across all courses. Cheating, plagiarism, or misuse of technology is treated seriously, while support and guidance are provided to help students understand academic expectations. This ensures your qualification is respected and valued in Australia and internationally.

TRANSITION ARRANGEMENTS

IBMA complies with ASQA's General Direction: Transition and teach out.
